Facts

Modern old school Death Metal is a contradiction in terms?
Forget it! Here comes Refleshed!

Refleshed from Stuttgart, Germany was founded in 2009. Influenced by old Swedish heroes like Dismember or Nihilist they add modern parts, Thrash-riffs and a hint of melody to their sound.

Refleshed creating neck breaking, but relishable noise for all metalheads out there.

In 2009 Refleshed released the EP DROWN THE SKY, which was highly acclaimed by the press. Metal Hammer Germany wrote: "A treat for fans of Grave, Asphyx, Hail Of Bullets and Heaven Shall Burn."

With their first full length album COLLAPSE Refleshed will enter the next level by improving their sound! Never forget:

In Sweden the elk roars. In Swabian Refleshed!
