## Facts

Founded in 2006 in Hanover (Germany), Magna Mortalis spread their death metal with power and groove, full of sick melodies and lyrics about all abysmal depths of human existence. Await the postnuclear apocalypse!

After a demo (2006) and a promo (2007) the first full length CD-album "Onward" was self-released by the band in 2009. Firefield Records is proud to bring this masterpiece to you. The album was recorded in the Jangland-Studio of Lars Opperman (Eat No Fish) near Hildesheim (Germany). The mastering was done in the Waveland-Studio in Hanover by Stefan Aedo of Athorn. The impressive cover artwork was done by Jumali Katani (Singapur). Frontman Arnheim refined it later.

The band already shared stages with a. o. Kataklysm, Belphegor, Evocation, Excrementory Grindfuckers, Drone or Eisregen. Reaching for the next level Magna Mortalis is currently working on the second album, ready to shake the earth with new merciless compositions and mighty live performances! So prepare and watch out for the new death metal deluge!
