## Facts

Let's start this Bio with a quote. Kirk Windstein of Crowbar, Down and Kingdom Of Sorrow: "I know the guys in Redrum Inc. since the beginning and I am very proud that they worked hard and have become a very strong and heavy band. I did join them on one song for their first full length album HEAVY DIVISION and I love the song 'Carry The Burden' as well as the complete record. These guys are ready for a heavy take off!"

Redrum Inc. was founded in 2000 in the ruhr district, Germany. They released 4 EP's and went on tour with heavy weights like Pro Pain or Crowbar. Their heavy grooving metal, improved with great melodies and tight thrash attacks thrilled the fans. So time has come for the full length debut!

HEAVY DIVISION was recorded at the Slaughterhouse Studios in Hilfrath and mixed by Achim Kaiser. Just check Songs like 'Breaking The Deadlock' (videoclip!), the Crowbar cover 'All I Had (I Gave)' or 'Carry The Burden' with Kirk Windstein on vocals. Call it Death, call it Doom, call it New Orleans sludge, Core or whatever; it's fuck\*\*\*ng heavy!

Enough said.

Play it loud and you will agree: HEAVY DIVISION is a serious slap in the face!

**Watch out for Redrum Inc. on tour in Europe between 19<sup>th</sup> of june and 8<sup>th</sup> july supporting Crowbar!**
