**Release:** Dec: 10 - 2010  
**Barcode:** 4036747009309

## Facts

Sodom, Kreator, Destruction, Tankard, Living Death, Violent Force, Darkness and so on. No doubt, Germany is one of the strongholds of Thrash Metal. Pessimist from Weil am Rhein (near the Swiss border) representing a new generation that breathes the spirit of the old heroes.

Pessimist was founded in August 2006 by Tz (Vocals), Peppi (Guitar) and Robin (Guitar). Drummer Raphi and Bassplayer Sevi completed the line-up. The first gigs were resoundingly successful. Pessimist won the Blood Battle Contest and played the famous Baden in Blut-Festival in South-Germany.

The demo tape NUCLEAR HOLOCAUST (recorded 2007) was high-fived by both, the fans and the press. Metal Hammer Germany called Pessimist "true as f\*\*k". The band became bigger and bigger. To big (in terms of time management) for Robin, he was replaced by Richie. Pessimist played more gigs with bands like Fatal Embrace, Witchburner, Bitterness and so on.

The debut CALL TO WAR was recorded with Christoph Brandes (Necrophagist, Unlight) in his Iguana Studios and features nine brutal Thrash Metal highlights. Just check out tracks like 'Trommelfeuer' (German for barrage) or It's Time To Fuck (With Hate) and turn into a "Pessimist"!
